## 2013 Renewals and Roster Sharon Primbsch, AA6XZ

You may have received email from me (EBARC membership chair) saying that you have not yet renewed for 2013. If you haven't renewed by mid-February, you won't receive the next issue of the newsletter, and you won't be in the 2013 roster! We'll examine the mail in the EBARC post office box before we cut you off. If you're sure you already renewed, contact Randy Jenkins at 526-4089!

In any case, if your roster information has changed, please contact me to correct it!

# **General Meeting Minutes**

## **January 11, 2013**

### **Mike McMillan, K6MCM, Secretary**

**Opening:** The meeting was called to order at 7:32 p.m. by President Fowler. Sign-in sheet was circulated, members and guests signed in. A round of self-introductions was made. Minutes of the December 14, 2012 meeting were approved as published in *The Blown Fuse*.

**Program:** First Vice-President Burris reported that five people went on the EBARC KPH field trip. It was fantastic to watch the equipment start up. Tonight's program will be Rich Holoch, KY6R, on his new antenna systems. Next month's program may be on QRP, what it is and how to do it.

**Hospitality:** Second Vice-President Sparks was absent; Gleason provided the refreshments.

**Membership:** Third Vice-President Primbsch reported 2013 membership cards were available at the meeting for pick up.

**Finance:** Treasurer Jenkins was absent. He previously provided club financial information to the board. General fund balance was \$4,575.41; station fund balance was \$3,520.80. He has also provided the board with a draft budget for 2013.

**Secretary:** Secretary McMillan reported no significant correspondence received.

**Station Manager:** Gleason reported the club station was still there.

**Public Events:** Grizzly Peak Century bike ride coming on the first Sunday in May. The Boy Scout Fages II hike is coming on Saturday of the first weekend in June. Radio help is always needed with these events.

**Education:** Sharon reported VE sessions are scheduled for the year. The first will be held on

Sunday, January 27<sup>th</sup> (see "Bay Area Future Events", below).

**Web Page:** Webmaster Hoffman reported nothing new.

**President:** Fowler reported the recent class successfully concluded; he has also been active with radios on the USS Hornet.

**New Members and Guests:** Three guests were present from the recent license class.

**Announcements:** Discussion of participation with the amateur radio club station at UC Berkeley, W6BB. USS Hornet Amateur Radio Club was having a meeting tomorrow. There was a request for information on batteries for new radios; several members offered assistance.

**Next Meeting:** The next EBARC general meeting will be on February 8, 2012.

**Closing:** There being no further business, the membership meeting was adjourned at 8:05 p.m.

**Presentation:** After a break for refreshments, Rich Holoch, KY6R, discussed events leading up to his getting on the DX Honor Roll (mixed) on January 1, 2013. He has 331 entities and says each one holds a unique story. He entertained us with several of the stories involved with these contacts. Rich also described his stacked two-element yagi array, how it provided a higher dB gain than a four-element yagi when working 17 meters from his location in a valley. His presentation was a preview of a Pacificon talk he plans to give.

Many thanks to Michael McMillan, K6MCM, for preafrooding this month's *Blown Fuse*.

## ARRL Membership

We are an affiliated club of the Amateur Radio Relay League (ARRL). We need to have a portion of EBARC members also be members of ARRL. If you have never been an ARRL member or your membership has lapsed for two years, you can join ARRL through EBARC. In this case, EBARC processes your membership for you, keeping \$15 of your dues as a perk. To do this, ask Sharon, AA6XZ, for the correct form ([aa6xz@earthlink.net](mailto:aa6xz@earthlink.net)).
